KEEPER COMPANION

YOUR HORROR MAY VARY!

Call of Cthulhu is a horror game where the “horror” can range from comedic fun to gritty realism. This form is designed to help guide the contents of the game—this is a way to inform and guide your Keeper, helping them to present the game that acknowledges your preferences.

A game is different to a movie—but selecting the type of movie rating you’re most comfortable with for your game can be a good start:

- ☐ G (suitable for all)
- ☐ PG (parental guidance)
- ☐ PG-13 (material may be inappropriate for under 13s)
- ☐ R (mature content, under 17s should be accompanied by an adult)
- ☐ NC-17 (adults only)
