SIR AVALLOC

**Age:** 21  
**Culture:** Roman Cymric  
**Religion:** Christian  
**Hometown:** Carlion  
**Distinctive Features:** Flowing hair, braying laugh  
**Family Characteristic:** Silver-Tongued

You were raised in the city of Carlion, inheritor of the ancient traditions of Rome. You serve in the elite unit of the city militia, sworn to protect Carlion’s citizenry from the tides of anarchy lapping at its walls. You take your duty seriously, but feel stifled by the strict traditions of your family and peers. Your rebellion takes the form of a constant barrage of jokes and wry observations, calibrated to skewer what you view as the stuffy traditions of court.

*Pick this knight if: The idea of playing a wise-cracking, too-smart-for-their-own-good knight appeals to you.*
